# THE POWER OF STORYTELLING

## Why Stories Work

- People remember stories, not facts
- Stories create emotional connections
- Stories make your work feel real
- Stories inspire people to act

## Elements of a Good Story

1. **A Real Person**
   Use names, ages, details
2. **A Challenge**
   What problem did they face?
3. **Your Help**
   How did your org help?
4. **The Change**
   What is different now?

# STORY IN ACTION: BEFORE vs AFTER

## ✗ Weak Post (Just Facts)

Our organization trained 50 youth in computer skills this month. We are grateful for donor support.

## ✓ Strong Post (Story)

Meet Sarah, 19. Six months ago, she couldn't use a computer. Today she got her first job as a data entry clerk!

"I can now support my family."

Your donations make dreams like Sarah's come true.

- Real person with a name
- Journey (before → after)
- Includes a quote
- Creates emotion
- Inspires action

# 2 · CONTENT CREATION

## Text Posts

- Under 150 words
- Simple language
- Add emojis ☺
- Ask questions

## Photos & Graphics

- Bright, clear photos
- Show people & faces
- Add text overlays
- Keep it simple

## Videos

- 30–60 seconds
- Hook in first 3 sec
- Add captions
- Show real action

# 3 · DIGITAL CAMPAIGNING & ONLINE ADVOCACY

1. **Set Clear Goal**
   1,000 signatures to stop plastic bags
2. **Choose Your Ask**
   Sign · Share · Donate · Attend
3. **Create a Hashtag**
   #StopPlasticOurTown
4. **Make Shareable Content**
   Infographics · Stories · Shocking facts
5. **Activate Your Network**
   Ask: Share with 5 friends today!

# 4 · DIGITAL TOOLS FOR YOUR WORK

### Project Management

Trello · Asana

Plan events, track tasks

### Team Communication

WhatsApp · Slack

Quick updates, team chat

### Document Collaboration

Google Docs · Drive

Write proposals, store files

### Video Meetings

Zoom · Google Meet

Team meetings, training

### Design & Graphics

Canva (Free)

Posts, flyers, reports

### Scheduling Posts

Meta Business Suite

Schedule a week in advance

# 5 · DATA-DRIVEN ADVOCACY

### WITHOUT DATA

*"Our program helps youth find jobs. We think it's working."*

### WITH DATA

*"78% of youth who completed our program found jobs — vs 20% locally."*

## FORMULA FOR A DATA POST

1

**Big Stat**

78% Success Rate

2

**What It Means**

78 of 100 got jobs

3

**Why It Matters**

4× higher than average

4

**Personal Story**

Meet one of the 78...

5

**Call to Action**

Help us train 100 more

# MEASURING YOUR DIGITAL IMPACT

### Reach

### Conversions

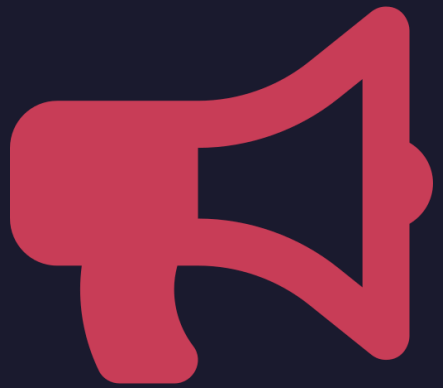
Petitions signed, donations, registrations

# YOUR ACTION PLAN THIS MONTH

1. Create a 1-page social media strategy
2. Set up accounts on 2 platforms
3. Collect 3 success stories with photos
4. Create 10 posts using Canva & schedule them
5. Try one free tool (Trello, Google Forms…)
6. Track data & create one data-driven post
7. Check insights after 2 weeks & improve

# REMEMBER:

- Have a strategy — plan what, when and where
- Tell real stories — people connect with people
- Create simple content — use your phone & free tools
- Use data to prove your impact — numbers build trust



**Your voice matters — make it heard online!** 📢
